

5-Disc CD Auto Changer

DCM-280P

The high-performance DCM-280P, a 5-disc carousel CD changer equipped with an MP3 decoder, lets you not only enjoy regular audio CDs, but also MP3-encoded CD-R/RW discs. The DCM-280P features Denon's 5-disc changer mechanism for smooth, quiet operation.

Key Features

CD-R/RW Playback

MP3 Decoder

The DCM-280P play finalized CD-R/RW discs containing MP3 audio files. When they are in MP3 format, a single CD-R/RW disc can contain up to 10 times more tracks than an ordinary audio CD. CD-R/RW discs containing a large number of MP3 files are ideal for use in long-play applications such as background music.

Advanced Multi-Level Noise Shaping DAC

The DCM-280P features a multi-level noise shaping DAC. This multi-level modulation powerfully removes the adverse effects of jitter, and because it is built into the output amp, a clean analog output with suppressed high-frequency interference can be directly obtained.

8-Times Oversampling Digital Filter

Increasing the oversampling frequency by a factor of eight makes possible an extraordinary degree of attenuation and reduces frequency irregularities in the audio range to an absolute minimum.

Synchronized Recording Function

Full Selection of Program Playback

The DCM-280P lets you combine up to 32 tracks from the five or fewer CDs which are loaded.

3-Mode Random Playback

Full random/program random/disc sequential random

Intelligent Disc Scan

The disc skip button can rotate the carousel tray clockwise or counter-clockwise when searching for a disc. (Counter-clockwise rotation is operable only by remote controller.)

20-Selection Music Calendar Display

Coaxial Digital Output

Headphone Jack

Specifications

Audio Section

Frequency Response	2 Hz - 20 kHz
Dynamic Range	98 dB
Signal-to-Noise Ratio	108 dB
Total Harmonic Distortion	0.0030%
Channel Separation	96 dB
Line Out Level (Variable)	0.2 - 2.0 V rms
Digital Output	Coaxial

General

Power Supply	AC 120 V, 60 Hz
Power Consumption	15 W
Dimensions	434 (W) x 115 (H) x 392 (D) mm 17.1" (W) x 4.5" (H) x 15.4" (D)
Weight	5.7 kg, 12.6 lbs
Accessory	3U rack kit included
